CINDY GUSTAFSON AND MAGGIE

The April 13, 2010, edition of the **Douglas County Post-Gazette** newspaper featured a front page article, about **NKC member, Cindy Gustafson**, and her Golden Retriever, **Maggie**. Also included in the article were 2 other dogs and their owners. Photos of **Cindy** and **Maggie** appeared in the article.

Cindy teaches first grade at Fire Ridge Elementary in Elkhorn, NE. Once a week **Maggie** goes to school with **Cindy**. The students call it "Furry Friday."

Maggie was trained in a program called Domesti-PUPS. She had to go through extensive tests to determine her temperament and many hours of obedience training. **Maggie** was certified as a Domesti-Pup in 2006 when she was one year old.

CONGRATULATIONS!!

GRAND CHAMPION AWARD

On May 12, 2010 the Grand Championship competition started concurrent with the implementation of the 2010-2011 Schedule of Points. Competition for this new title will be judged concurrently with Best of Breed competition at both all-breed and specialty shows.

Why does AKC offer Grand Champion?

For many owners there is little incentive to continue to exhibit dogs that have completed their championship title. All exhibitors do not have the financial means or desire to extensively campaign a dog in pursuit of top rankings. This title permits quality dogs to be recognized without extensive travel as the Grand Champion title can be earned at all shows with Best of Breed competition.

How does a dog earn the Grand Champion title?

Only Champions are eligible to earn Grand Championship points. (This includes dogs that are “moved up” to Best of Breed competition from completing the requirements for their CH title at a previous show.)

Best of Breed, Best of Opposite Sex, Select Dog and Select Bitch are eligible to earn Grand Championship Points. Select Dog and Select Bitch are Champions that were recognized as the top quality of their sex after BOB and BOS have been awarded. Judges need not award Grand Championship points to dogs that in their opinion are not worthy of the award.

Grand Championship points are earned using the same schedule of points as is used for Championship points and the title requires:

Twenty five Grand Champion points including,
three “majors” (three or more points) won under three different judges,
and at least one or more of these points won under a fourth judge.

They must also have defeated at least one other AKC Champion at three shows.

How are Grand Championship points determined?

Grand Championship Points are determined using the schedule of points for each breed in each division. However, all dogs defeated by BOB, BOS, Select Dog or Select Bitch will be counted in the computation. Grand Champion points may be awarded to eligible dogs as follows:

Best of Breed – All dogs of the both sexes in the breed or variety exhibited in the regular classes and Best of Breed competition will be counted.

Best of Opposite Sex to Best of Breed - All dogs of the same sex in the breed or variety exhibited in the regular classes and Best of Breed competition will be counted.

Select Dog or Select Bitch – One dog less that the number of dogs of the same sex in the breed or variety exhibited in the regular classes and Best of Breed competition will be counted.

Champions of Record including champions that are non-regular class winners or dogs that have been “moved up” to Best of Breed competition for the show are the only dogs eligible for Grand Championship points. Although class dogs can win BOB or BOS, they have not yet obtained their CH title and are not eligible for Grand Championship competition. (*Dogs entered in non-regular classes are not counted in the computation of Championship or Grand Championship points.*)

How does the Grand Champion competition affect the show-giving club?

Based on the enthusiastic exhibitors’ comments, we anticipate a significant increase in the entry of champions competing for Grand Championship points at both all-breed and specialty shows. The only increased expense will be one additional ribbon if three champions are entered or two additional if four or more AKC champions are entered in Best of Breed competition in that breed or variety. AKC will be sending email to the owners of all dogs that have finished since 1/1/2007 to inform them of this new opportunity to showcase their dogs.
