He trained in nosework the morning that he died. Rick's accomplishments are many, and there are really too many to list. A short version is he was an AKC Quintuple Champion, my second Border Collie to reach that pinnacle. He was an Obedience Grand Master, a UDX10, placed in the Top 50 at the NOC at the age of 11 ½, earned his CT at the age of 14, four months, and was routinely one of the fastest dogs at the nosework trial right up until his death. I will never get over missing him, and I only wish he could be two years old so we could do it all again.
