ELIGIBILITY, INSPECTION, & SPECIAL NOTICES TO EXHIBITORS

1. **Eligibility for AKC Fast CAT®:** Events are open to all dogs at least twelve (12) months of age that are individually registered with AKC, recorded in the FSS program, dogs with PAL/ILP numbers, or dogs enrolled in the AKC Canine Partners program.
2. These events will be held outdoors rain or shine unless dangerous conditions are present (such as lightning or flooding). Comfortable & appropriate footwear (flip flops not recommended) and water-resistant clothing are recommended.
3. **Multiple dogs from the same owner may be entered in each event. Multiple dogs from the same owner will be separated by approximately six dogs in the run order. If you have more than two dogs, please sign-up for two or more time-blocks (see #6 below).**
4. **Roll Call & Inspection:** Roll call is the time when exhibitors are expected to check-in by. Check-in is followed by Inspection for fitness, lameness, and/or females “in season.” Roll call will open approximately (30) minutes before your block is scheduled to run. Dogs not present at the time of inspection will be scratched. No refunds will be given for scratched dogs. If necessary, dogs may be measured, using a wicket, to determine handicap. Fast CAT® is an athletic activity that can tax a dog’s physical strength. Dogs that are overweight and/or out of condition may be at greater risk of injury and/or exhaustion. Owners enter their dogs at their own risk. If in the opinion of the Inspection Committee any entry found to be lame, unfit to compete, or a female in season; that dog shall not be allowed to compete. Entry fees shall be refunded. Bitches in season MUST be removed from the event site.
5. **Concurrent Events:** These Fast CAT® events will be scheduled in one-hour time blocks of approximately sixteen (16) dogs each. Handlers should choose one time-block for your dog to run. This means your dog will be re-inspected after its first run and will then run the second event approximately one-half hour after its first run.
6. **Time-Blocks:** On the entry form sign up for your preferred time-block for your dog. **Time-blocks will be assigned on a first received basis.** Approximately sixteen (16) dogs will be assigned to each block and the dog will run twice during that time-block. Time-blocks chosen are not guaranteed. **If you do not want your dog to run twice in one hour, then choose two separate time-blocks for that dog.** You will be contacted if we cannot honor your chosen time-block(s). If you do not have a time-block preference then choose that on the entry form. If you do not enter these events early, do not expect to get an AM time-block.
7. **Bitches in season are NOT allowed on the event grounds.**

EXHIBITOR AND GENERAL INFORMATION

1. All events are held under the Rules and Regulations of the American Kennel Club, Inc. By entering these events, exhibitors acknowledge that they are familiar with the rules and regulations of the event in which they have entered. Here is the link to the [AKC Fast CAT® Rules](#).
2. NKC, its agents; AKC, its agents and its employees; assume no responsibility for any loss, damage, injury or illness sustained by spectators or by exhibitors and handlers, or to any of their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians. AKC and NKC are not responsible for any loss, accidents, ILLNESS, or theft. By entering these events you agree to these conditions.
3. The owner or designated handler of each dog is solely responsible for having it ready at the start line when its name is called. The host organization, event committee, and Field Secretary have no obligation or responsibility for providing service through a public address system, or stewards or runners for the purpose of locating dogs that are not brought into the staging area when required.
4. Exhibitors and dogs may arrive any time prior to their scheduled run time. Dogs not required for further runs may leave the event site after their run and collecting their ribbon.
5. No un-entered dogs allowed on the event grounds. **Note: No dogs less than 8 weeks of age may be present on the grounds of an AKC licensed event.**
6. Dogs are not to be left unattended when crated in soft mesh crates. No dog may be left in an un-latched or un-zipped crate.
7. Except when being crated or exhibited, dogs must be kept on leash. **Flexi leashes are not allowed at this event.**
8. Exhibitors and dog owners are **expected and required to clean up after their own dogs**. Please potty your dog in the designated area and use the provided receptacles for disposal. Any person witnessing a violation of this rule must report it to the Event Committee. The Event Committee may ask any person violating this rule to leave the event grounds without benefit of a refund. Porta-potties will be available for exhibitors' use.
9. Absolutely no alcoholic beverages will be allowed on the grounds on the day of an AKC licensed event.
10. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior (including dogs running loose on the event grounds) may, at the discretion of the Event Committee, be asked to leave the event site. In that case, no refund of any fees paid will be made. AKC will vigorously support any facility (such as motels) that files a complaint about exhibitors who fail to keep their dogs quiet or to clean up after them. In order that the bad conduct of a few exhibitors does not spoil it for the majority of responsible exhibitors, AKC will take strong disciplinary action against any offenders.

SPECIFIC FAST CAT® RULES & INFORMATION

1. Fast CAT® is a pass/fail event.
2. Dogs run singly on a fenced-in course.
3. The dog's time to complete the 100-yard dash is converted to miles per hour (MPH).
Formula: $204.545/\text{Dog's Time} = \text{MPH}$.
4. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points it earns for each qualifying run.
5. The system is based on the dog's height at its withers:
18" or greater = handicap 1.0
12" up to, but less than 18" = handicap 1.5
Below 12" = handicap 2.0
6. Timing is done electronically using "break the beam" equipment with time recorded to the nearest 1/100th of a second. Manual timing devices may be used if electronic equipment has issues.
7. The Huntmaster is in control of the course. All decisions by him/her are final.
8. Any dog that relieves itself on the course shall fail the event.
9. Dogs must have a reliable recall. Any dog that will not come to its handler at the end of its first run will be moved to the end of the next entered events.
10. Running order is assigned to dogs as entries are received. If your dog is not ready at its assigned run time, it will be moved to the end of the event.
11. **Each dog must have TWO handlers:** One for the release at the start line and one to catch the dog at the finish line.
12. **You must have TWO leashes for your dog.** If your dog runs naked (see #18 below) then you must also have TWO collars or the type of leash that can be slipped over your dog's head at the finish line. **Flexi leashes are not allowed.**
13. Handlers may **NOT** run along the 100-yard course with their dog. This includes inside and outside the fencing.
14. Handlers may move within the catch area as their dog is running the course, but may not cross the finish line.
15. Cheering, clapping, calling your dog's name, whistling, and/or waving your arms from the end of the course is allowed.
16. Noise making devices (duck calls, whistles, electronic calls, etc.) are **NOT** allowed.
17. The use of toys, treats, flags, or other items of this nature are **NOT** permitted while the dog is running the 100-yard course. However, they may be used after the dog has crossed the finish line to assist in catching the dog.
18. It is safest for the dog to run "naked" which means it does not wear a collar. However, dogs may wear any collar, except a choker collar, head halter, a collar with prongs, or an electronic training collar. The collar should be snug to minimize the chances of getting hung up on something during the run. Collar tags should be removed or secured to the collar with tape.
19. Owners may use clips or rubber bands to hold the dog's hair away from the eyes.

TITLES

Dogs can earn three titles by accumulating points. These are suffix titles that will appear on the dog's pedigree with a higher level title superseding a lower level title.

BCAT — Awarded to a dog that accumulates 150 points.

DCAT — Awarded to a dog that accumulates 500 points.

FCAT — Awarded to a dog that accumulates 1000 points. For every 500 points over 1000, the dog earns FCAT followed by a number (example: FCAT2, FCAT3).

RIBBONS & ROSETTES

All Qualifiers: Light Blue Qualifying Ribbon

Each Test: Fastest dog in each height category - Rosettes will be awarded for each event at the end of the day.

Any dog that earns a BCAT, DCAT, or FCAT Title will receive a rosette. New Title Rosettes may be picked up after runs have been recorded.

Handlers who are not present at that time may pick up their Saturday rosettes on Sunday or make arrangements with someone else to pick up their rosettes. **No ribbons or rosettes will be mailed to exhibitors.**
