A **lateral transfer** (from section A to section B in Novice) may be requested if the owner mistakenly entered the dog in section A, and it is not eligible. 3. There will be a lunch break each day for the judges and workers.
4. **The Super Sniffer Scramble** ( a non-regular class) will be after the two regular Detective Classes. The eligibility requirements are a dog must have at least one Excellent title within the odor search division. (SCE, SIE, SEE, SBE). The search area will be at least 500 and no more than 4000 square feet and may be indoors, outdoors, or a combination of both. There are no height restrictions on hides and all hides may be inaccessible. Search rules will not be published in advance. The judge will brief the competitors before the class begins. Search rules the judge may choose include, but are not limited to, the following examples: unknown number of hides, a range of hides (for example 2-8 hides), known number of hides, freely moving within the search area or "no going back" once an area has been searched, time challenges, etc.

**Search Time:** The total search time will be determined by the judge. The judge will determine whether there is a 30-second warning.

**Target Scent:** The target scent may be Birch and/or Anise and/or Clove and/or Cypress. All odors need not be present, and each odor can be used multiple times.

**Running Off-Leash:** The judge will determine whether the search can be run off-leash.

**Distractions:** The judge will determine the number of intentional distractions (of any type discussed in the rule book).

**"Alert" Call:** The dog must find the target scents and communicate the finds to its handler. The handler must call "Alert" when the dog indicates each find. The handler should call "Finish" when he or she believes all hides have been located for the entire course.

**Scoring:** A dog will accrue points for each hide found, with a total possible point score of 100. The points value for each hide will be 100 divided by the total number of hides. For example, if there are 10 hides, each hide will be worth 10 points. If there are 4 hides, each hide will be worth 25 points. If there are no hides, a correct finish call is worth 100 points.

**Deductions:** For each False Alert, 1/2 a hide's worth of points will be deducted. Teams may have up to two False Alerts and continue searching; a third false alert will end a team's search and result in a score

of 0. Each Fault (regular faults as defined in the rulebook, for example mildly compromising the search area) will result in a 1 point deduction. Timing out before calling Finish will deduct 1/2 a hide's worth of points.

**Placements:** Placements will be determined by highest points. In the event of a tie, the quickest time will be the tie breaker. There will be a prize for 1st - 3rd place.

## • EXHIBITOR AND GENERAL INFORMATION

1. All events are held under the Rules and Regulations of the American Kennel Club, Inc. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of the event in which they have entered. Here is the link to the [AKC Scent Work Rules](#).
2. NKC, its agents; AKC, its agents and its employees; assume no responsibility for any loss, damage, injury or illness sustained by spectators or by exhibitors and handlers, or to any of their dogs or property, and further assume no responsibility for injury to children not under the control of their parents or guardians. AKC and NKC are not responsible for any loss, accidents, illness, or theft.
3. The owner or designated handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The host organization, event committee, and Show Secretary have no obligation or responsibility for providing service through a public address system, or stewards or runners for the purpose of locating dogs that are not brought into the ring when required.
4. Dogs may arrive any time prior to their scheduled time of judging. Dogs not required for further judging may leave the trial site.
5. No unentered dogs allowed on the event grounds. Note: no dogs less than 8 weeks of age may be present on the grounds of an AKC licensed event.
6. Dogs are not to be left unattended when crated in soft mesh crates. No dog may be left in an unlatched or un-zipped crate.
7. Except when being crated or exhibited, dogs must be kept on leash.
8. Exhibitors and dog owners are expected and required to clean up after their own dogs. Please potty your dog in the designated grassy areas and use the provided receptacles for disposal. This is a new venue for us and we want to be respectful of the grounds so we can use it for future trials. Any person witnessing a violation of this rule must report it to the Event Committee. The Event Committee may ask any person violating this rule to leave the event grounds. No refund will be made if an exhibitor is asked to leave the grounds.
9. Absolutely no alcoholic beverages or illegal drugs will be allowed on the grounds or in the buildings on the day of an AKC licensed event.
10. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In that case, no refund of any fees paid will be made. AKC will vigorously support any facility that files a complaint about exhibitors who fail to keep their dogs quiet or to clean up after them. In order that the bad conduct of a few exhibitors does not spoil it for the majority of responsible exhibitors, AKC will take strong disciplinary action against any offenders.
11. Females in season will not be allowed to compete. A refund minus \$5 processing fee will be given with a vet's certification, if your female is withdrawn no later than one-half hour prior to the start of the first class of the trial.
12. **Trial Site:** It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.
13. **Possession of Odors and Training.** No person other than those engaged in the administration of the trial shall be in possession of any of the target odors when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than in the designated warm-up area.
14. **Spectator Area:** For this event, there will be no indoor spectator areas.
